During these challenging and unpredictable times, social distancing seems to be the best strategy for fighting the coronavirus. We, here at Southeastern Buildings, understand. Please continue to take extra precautions to stay safe. With more and more having to stay home, we realize that, one may go into a cleaning frenzy. Spring is here!

Southeastern Buildings will continue to be here for you. We are still open and we have many buildings in stock, ready to be delivered. We'll have a delivery truck and one man on standby, to feel your needs.

You don't have to leave your home to order. Just give us a call for pricing. If, after contacting us, you feel that we may have a building that fits your needs, we can send you pictures on your cell phone or by email. We will deliver and set-up your new building, supplying free, all leveling blocks and treated wedges. Extra precautions can be discussed and prearranged prior to this delivery. We offer Financing and Rent to Own that can be, either prefilled out on our website or we can fill them out over the phone. We appreciate your business.

Sincerely, Southeastern Buildings, Inc.

Thanks,

Chris Moon
